

MOBEYE battery pack

Mobeye AC-BP4

The AC-BP4 battery pack has been designed to supplement the internal batteries for the Mobeye CML4275 and other Mobeye products housed in outdoor enclosures. As the battery pack supplies 6V, the Mobeye communication module will remain in power-saving mode, ensuring the batteries last a long time. The AC-BP4 battery pack triples the battery life of the internal batteries.

The battery comes with a connecting cable; the wires are connected to the Mobeye power input:
